Sahara 310 XL

Billi™

Billi Sahara 310 with XL Levered Dispenser

The Sahara 310 Boiling and Still drinking water system packs a punch, being the smallest comparable underbench module available on the market yet still requires no joinery ventilation.

Offering both boiling water and a bottomless supply of filtered ambient temperature water, the Sahara range is convenient and functional.

The XL levered dispenser is streamlined and elegant, DDA compliant, with boiling water delivered safely and at your own pace simply by operating the position-sensitive levers.
