Billi Sahara 3120 with XT Touch Dispenser

The Sahara 3120 Boiling and Still drinking water system is a large commercial capacity system, but still maintains Billi's core design principles of space saving while requiring no joinery ventilation.

Offering both boiling water and a bottomless supply of filtered ambient temperature water, the Sahara range is convenient and functional.

The XT touch dispenser is an innovative, contemporary design, which has a top operating panel offering a sophisticated and clean style.
